

How To Bake Classic Breaks® Cookies

Handling Tips

For maximum shelf life, store Classic Breaks cookie dough in chest freezer until ready to use.

This product may be kept in the refrigerator for up to 2 weeks.

For best product performance, we recommend that you use your cookie dough within 6 weeks after receiving it.

Baking Directions for Cookie Dough

1. Place package on counter to slightly thaw for easier breaking (the step is optional).
2. Preheat oven to 325°F.
3. Break desired number of cubes from the sheet of dough and place 2" apart on a lightly sprayed cookie sheet.
4. Put remaining dough in sealed bag and return to the freezer.
5. Bake 13-17 minutes until slightly brown around edges. Ovens vary so adjust time and temperature accordingly.
6. Let cool on cookie sheet. Remove and enjoy!
